1. Parade

The main purpose of the parade is to ask community or society for people understanding and symbiosis with sexual minorities.

In 2023, there were about 1,500 people mainly LGBT parties and straight ally members participated.

Marching band from Osaka Prefectural High School has played music at the top of the parade.

Meet up at 12:20 on 27th October, start at 13:00. Participants walk about 4.0km taking about an hour.

Anyone who willing to participate in the parade needs to be applied. Please apply at the general reception booth No. 69.

Reception starts at 10:00 on 27th October.

2. Stage Performance

Various stage events like music or dance will be held on the stage by sexual minority parties or local citizen. There are 13 performer parties on 26th and another 13 parties on 27th October 26 parties in total.

3. Booth

Activity report by sexual minority organizations, Art work exhibitions, Sexual minority supportive companies' booth, Food booth or Kitchen cars, over 70 booth are opened and waiting for your visit!

Rainbow Festa! 2024 Executive Committee

【Notice for Parade Participants】

◆Please get a GiG-BAND at the general reception on the date of the Parade.

◆Anyone who does not have a GiG-BAND CANNOT participate in the Parade. Please kindly be minded not to lose GiG-BAND because it will NOT be reissued.

◆Meeting point is shown in the <<Chart 1>> below. Please gather to that place(behind the booth) around **12:20**.

◆**Please line up 3 rows while you are waiting and make 4 rows when you get out from the park to the public road.**

Please cooperate so that those 4 rows do not collapse.

*Every color flag shall be the front of the group. Please line up right after that and make 3 rows while you are waiting.

*If you are participating by group, **please join to the line after all members are gathered** to avoid formation collapse.

*For those group members who join to the line later than other members shall be line up at the very end.

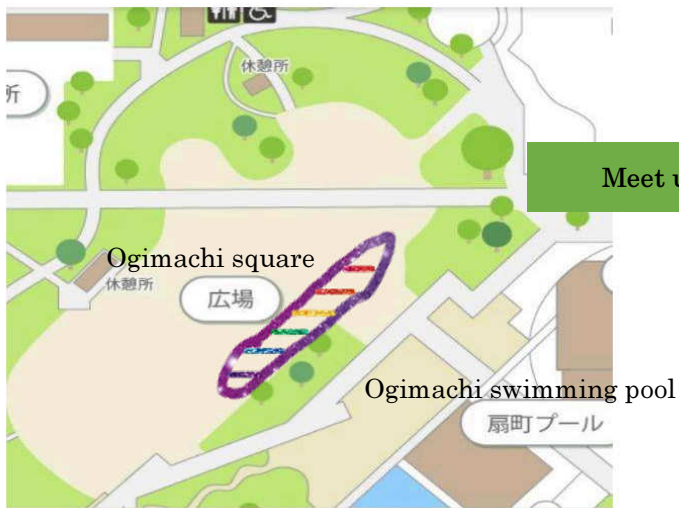

◆For those who use stroller, wheelchair or people need assistance in walking(with attendant), we arrange another meeting point where it is shown in <<Chart 2>>.

*Please line up at the area of [Osaka Metro Ogimachi Park station 2-B] right by Kansai TV Co.

*Please line up by colors and wait until the main stream gets closer to the 2-B area. Once they came, please get into the Parade accordingly.

【Regarding Music or instruments playing during the Parade】

*Because we are walking on the public road, following items are prohibited to use;

- Any instrument that makes big sound like vuvuzela or drums.
- Any instrument that makes noise of horn, beep or siren.
- Any items that may blocks drivers' sight.

*Please pay attention not to disturb music playing from Parade float cars.

*Your kind consideration against those who around you would be much appreciated as well.

【Prohibitions】

- To scream or make strange noise, any behavior that collapse formation may cause accidents. So please do not.
- **Anyone who got out of lines shall not be able to get back. So please be careful.**
- Using umbrella is prohibited in the Parade so as you are waiting in lines.(Please wear raincoat if it is raining out)
- Walking with eating, drinking alcohol, smoking(including electric cigarettes) are prohibited.
- No littering neither you are waiting in lines or walking in the Parade.(Please carry empty PET bottles back to the park)
- This Parade is officially applied as Demonstration March(Mass demonstration) so that large scale commercial advertising activities by

companies are not allowed.

***Please make this notice known well for foreign people participating in the Parade as well.**
